Mandated to Move Higher...

Our conference in Dec 2006 was themed '*Mandated to Move Higher*' which we believe is a theme we as an organisation are carrying into 2007. The pace of everything is accelerating. We are greatly convinced in these days that God's people are to change gear, to change pace, to move to a higher plain. We're to pray as never before. God spoke to Joshua and told him to go in and possess the land. We believe God is telling us to do just that. Fast.

Please join us...

At CBC we believe we are to **stand** in the evil day....and having done all, to stand! We need to stand together for the **now** and for the difficult **times that lie ahead**. We are together to be a voice into the nation. There is much spiritual strength in standing together.

To simplify the membership process, we suggest that membership contributes to the work of CBC During that year of joining (ie 2007). We will be inviting renewals each January.
